

THE SEA LION EXPRESS

September 2022: Volume 8, Issue 9

Editor-in-Chief: Dr. Carol Vesh Luetzow

AUGUST HIGHLIGHTS

August 1 – Bingo with the residents of The Oaks at Salem. Nine sweet ladies participated in an afternoon of fun and winning chocolate.

August 1 – The theme of the meeting was wacky hats. Members proudly donned their wacky hats while consuming luscious sub sandwiches and planning service projects.

August 6 – Nineteen Lions from across the district attended officer training in Kingstree, SC. Attendees were newly elected, repeating, and aspiring to officer positions. Evaluations of the training were positive.

August 8 – In the name of the Beaufort Lions and supporting “Kindness Matters”, the Holleys purchased pizza and drinks in appreciation of the assistance provided by the Boy Scouts during the pancake breakfast. Thank you, Kathy, Charles, and Mandi for your thoughtfulness and for being good ambassadors for the club.

August 15 – Twelve seniors played Bingo with Lions Melinda and Dianne at Oaks on Salem.

Jessie Chapman from CAPA presented an interesting update on services offered by CAPA to Beaufort and Jasper Counties. The presentation was made virtual at the last minute due to unforeseen circumstances. CAPA needs volunteers at the thrift shop as well as tour guides for the upcoming ghost tours in October.

August 20 – Five Beaufort Lions (Lions Pat HP, Sam, Lou, Dianne, and Carol) joined 34 Lions from across the multiple districts for the GAT webinar. Various speakers addressed leadership, membership, and service planning. Although long it was time well spent.

August 22 – Lions Kathy, Charles, and Mandi kicked off the canned food donation to HELP of Beaufort with a generous donation. Thank you
